Create a NASA Gateway Profile

Your gateway for participating in NASA STEM opportunities!

The image shows a NASA Gateway Profile creation form. At the top is the NASA logo. Below it are two input fields: 'Username' and 'Password'. A blue 'Log in' button is positioned below the password field. At the bottom left, there is a 'Forgot Password?' link. To its right, the 'Not a Member?' link is circled in red. Below these links, a paragraph of text provides instructions: 'If you do not remember your password, it is recommended you click "Forgot Password" and create a new password. Your account will be locked for 24 hours after 3 consecutive failed log in attempts. To unlock your account, you must contact hq-nasa-stem-gateway@mail.nasa.gov'.

If you do not remember your password, it is recommended you click "Forgot Password" and create a new password. Your account will be locked for 24 hours after 3 consecutive failed log in attempts. To unlock your account, you must contact hq-nasa-stem-gateway@mail.nasa.gov

The image shows a screen titled 'Which category best represents you?'. Below the title is a instruction: 'Hover over each category for more information and then click the user type that best describes you.' There are three categories represented by rectangular buttons: 'Active Student' (top left), 'Educator' (top right, circled in red), and 'Other' (bottom center). Each button has a background image related to its category: a globe for 'Active Student', binary code for 'Educator', and a technical drawing for 'Other'.

Which category best represents you?

Hover over each category for more information and then click the user type that best describes you.

NASA Gateway Registration Process

Tell us a little bit about yourself

* First Name

* Last Name

* Email

Basic Information

Next Steps...

1. Check your inbox for the email address you just entered. You should receive a message from hq-nasa-stem-gateway@mail.nasa.gov
2. When you've logged in, you'll be directed to your profile where you will register your account.
3. Once your profile has been completed, you may apply to the available opportunities and track the status of your applications within NASA STEM Gateway.

Next Steps – *Please take note of the username and password you create this will be the same password you use to access **NASA CONNECTS***

Application Information

1. **Personal Information** – DOB, Address, Phone Number
2. **Demographic Information** (*voluntary*) - Gender, Ethnicity, Race, Veteran Status, Disability Status
3. **Citizenship** – US Citizen or Non-US Citizen
4. **Education or Affiliate Organization Information** – Application Type, Academic Institution (search or add if organization isn't shown)
5. **NASA Media Release Authorization**

Congratulations! You are now ready to Apply/Register for NASA opportunities.

The screenshot shows the NASA CONNECTS website. At the top is a dark navigation bar with the NASA logo and links for Home, Event Calendar, Browse Collections, Resource Library, Members, and Groups. A red oval highlights a personalized welcome message: "Welcome Moderator Ebony, Catch up on CONNECTS announcements!". Below this is a large banner for a "Virtual Classroom Connection: STEM Literacy" event, featuring a cartoon illustration of a rover. The banner text includes "LOOKING FOR A SUMMER OPPORTUNITY? APPLY TO SPEAK TO A NASA EXPERT VIRTUALLY!". Below the banner are two main content boxes: "Event Calendar" with a "View Event Calendar" link, and "Browse Groups" with a "Browse Groups" link. On the right side, there is a video player showing a NASA-related video and a red NASA mug.
